

## CITRUS COLLEGE AND PROGRAM REQUIREMENTS

### ADVANCED PLACEMENT OPTION (LVN to RN)

Enrollment in the Citrus College Registered Nursing Program is open to persons regardless of sex, age, marital status, disability, ethnic group, religion or national origin. The **Advanced Placement Option** allows active California Licensed Vocational Nurses (LVN) to be given credit in the nursing courses in the first two semesters of the Associate Degree in Nursing (ADN) Program. The Advanced Placement candidate would be admitted into the LVN to RN Transition course. Following successful completion of that course, the candidate would enter the third semester of the Associate Degree in Nursing program. **Applications are accepted twice a year for fall and spring admission.** For a complete description of the program please go to: [www.citruscollege.edu/academics/programs/adn](http://www.citruscollege.edu/academics/programs/adn)

**Students seeking admission to the Advanced Placement Registered Nursing Option must meet all of the following criteria:**

- A minimum GPA of 2.5 or higher is required for prerequisite core sciences, which includes Human Anatomy, Human Physiology and Microbiology with no grade less than a “C” for each course.
- A minimum cumulative GPA of 2.5 or higher is required for all college coursework attempted, *regardless* of applicability to nursing requirements.
- Prerequisite core sciences (Human Anatomy, Human Physiology, and Microbiology) must have been completed within five (5) years at the time of the application.
- Only one repetition in one of the three prerequisite core sciences (Human Anatomy, Human Physiology, and Microbiology) is permitted within five (5) years at the time of the application. Withdrawal (W) grades and repeats of core sciences older than five years do not count as repeats.
- Prerequisite core sciences must be a minimum of four (4) semester units or six (6) quarter units with a laboratory component.
- College level, transferable English, must be a minimum of three (3) semester units or four and a half (4.5) quarter units with a grade no less than a “C.”
- **Possess a current, [active California Vocational Nursing License](#).**
- **Possess transcripts of VN coursework that includes PEDS, OB and MED SURG up to intermediate level.**
- Good standing student status (academic and in progress).
- It is mandatory for all provisionally admitted students to have the [ATI TEAS](#) completed with a total score of 62% or higher in order to be enrolled in the subsequent fall semester.
- Meet the minimum physical and mental qualifications to perform essential nursing functions.
- Pass background check.
- Evidence of high school education or equivalent or higher.
