

## CITRUS COLLEGE ADN PROGRAM REQUIREMENTS GENERIC OPTION (RN)

Enrollment in the Citrus College Registered Nursing Program – **Generic Option** – is open to persons regardless of sex, age, marital status, disability, ethnic group, religion or national origin. The **Generic Option** consists of four semesters for the Associate Degree in Nursing (ADN) program. **Applications are accepted twice a year for fall and spring admission.** For a complete description of the ADN program, please visit the registered nursing website at [www.citruscollege.edu/academics/healthsciences/rn](http://www.citruscollege.edu/academics/healthsciences/rn)

**Students seeking admission to the Registered Nursing Program – Generic Option – must meet all of the following criteria:**

- A minimum GPA of 2.5 or higher is required for prerequisite core sciences, which includes Human Anatomy, Human Physiology and Microbiology with no grade less than a “C” for each course.
- A minimum cumulative GPA of 2.5 or higher is required for all college coursework attempted, *regardless of* applicability to nursing requirements.
- Prerequisite core sciences (Human Anatomy, Human Physiology, and Microbiology) must have been completed within the last five (5) years from the time of the application.
- Only one repetition in one of the three prerequisite core sciences (Human Anatomy, Human Physiology, and Microbiology) is permitted within the last five (5) years from the time of the application. Withdrawal (W) grades and prerequisite core sciences attempted prior to five (5) years do not count as repeats. If a student exceeds one repeat within the last five (5) years from the time of the application, they will not be eligible for consideration.
- Prerequisite core sciences must be a minimum of four (4) semester units or six (6) quarter units with a laboratory component.
- College level, transferable English, must be a minimum of three (3) semester units or four and a half (4.5) quarter units with a grade no less than a “C.”
- Good standing student status (academic and in-progress).
- Completion of the [ATI TEAS](#) is not required to apply to the ADN program. However, it is mandatory for all admitted students must have the [ATI TEAS](#) completed with a total score of 62% or higher in order to be enrolled in the subsequent semester.
- Meet the minimum physical and mental qualifications to perform essential nursing functions.
- Evidence of high school education or equivalent or higher.
