IMPORTANT NOTES:

- Information is subject to change. Please meet with a nursing counselor for updates.
- The Citrus College ADN program follows a multi-criteria screening and ranking process. This Multi-Criteria for Selection is used to determine who will be admitted into the program. Students are ranked using the Multi-Criteria for Selection. The criteria consist of 93 total points possible. All qualified applicants are ranked from highest to lowest points.
- Coursework from ALL colleges/universities must be submitted prior to the application. Any applicant who does not submit all coursework at the time of application shall be disqualified from consideration; or dismissed from the program.
- Falsification of any documentation used for the Multi-Criteria for Selection will disqualify applicants from entering the program.
- Each document may be used as verification for only ONE criterion. Separate documents must be submitted to receive points for each criterion: health experience, life experience and proficiency in another language.
- Completion of the standardized Assessment Technologies Incorporated (ATI) Test of Essential Academic Skills (TEAS) is not required to apply to the ADN program. However, it is mandatory for all provisionally admitted students to have the ATI TEAS completed with a total score of 62% or higher in order to be enrolled in the subsequent semester.
