The Citrus College Department of Campus Safety (“Department of Campus Safety”) is the designated authority established by the Board of Trustees to enforce the Standards of Conduct under the Education Code and Penal Code of the State of California.

The Department of Campus Safety is responsible for the safety and security of all members of the college community. Every effort is made to inform students, faculty, administrators, and staff members of criminal activity or other concerns that may be an immediate or ongoing threat to the safety and security of those on campus. Information regarding crime prevention is made available to college students, faculty, administrators, and staff members through a variety of methods, including, but not limited to, campus memos, emails, presentations, trainings, orientations, social media, and the web. However, it is the responsibility of every member of the college community to act in ways that promote the safety of self and others, and the protection of District property.

The Department of Campus Safety is not a police department and department incident reports are not official police reports. If an official police report is required, the Glendora Police Department will be contacted.

The Department of Campus Safety is the liaison with the Glendora Police Department and other local police agencies, including federal and state law enforcement entities.

A campus safety plan shall be developed and provided to students as part of the Annual Security Report published by the Department of Campus Safety each year and made available online at: <http://www.citruscollege.edu/campussafety>. The Annual Security Report includes information regarding emergency response in accordance with Administrative Procedure 3505 Emergency Response Plan. Additionally, emergency preparedness, response and evacuation procedures can be found in print at the Department of Campus Safety and on the Citrus College website. The Emergency Response Procedure flipchart is also available in print and online, and can be downloaded electronically.

The Department of Campus Safety annually prepares and updates a report consisting of all occurrences reported to Campus Safety personnel of, and arrests for, crimes

committed on campus and that involve violence, hate violence, theft or destruction of property, illegal drugs, or alcohol intoxication; and of all occurrences of noncriminal acts of hate violence reported to campus authorities. A written report is to be submitted to the Board of Trustees, by October 1st of each year.

Education Code Section 67380 defines “hate violence” as: “any act of intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group of persons or the property of any person or group of persons because of the ethnicity, race, national origin, sex, sexual orientation, gender identity, gender expression, disability, or political or religious beliefs of that person or group.” Section 67380 requires reporting of both occurrences reported to campus police or safety authorities of and arrests for crimes that involve hate violence (Section 67380(a)(1)(A)) and of “non-criminal acts of hate violence” (Education Code Section 67380(a)(1)(B)).

For purposes of reporting under the Clery Act, “hate crimes” include domestic violence, dating violence, and stalking.

Written records of noncriminal acts of hate violence shall include at least a description of the act of hate violence, the victim characteristics, and offender characteristics, if known.
