AP 4110 HONORARY DEGREES

Reference: Education Code Section 72122

Honorary degrees may be awarded on such occasions as commencement and other awards ceremonies. The degrees awarded shall be Associate in Arts or Associate in Science degrees as appropriate. Recipients must have distinguished themselves in education, community or national service, or in their profession. Their service must also support the mission, vision, values, and objectives of the college.

Recommendations for an honorary degree shall be submitted to the Superintendent/President of the College.

Recommendations shall include:

- Name of recipient;
- Educational and professional experience and/or record of distinguished service that justifies awarding of an honorary degree; and
- Occasion at which degree is to be awarded.

The Superintendent/President shall submit the award request to the Steering Committee for review and recommendation and then to the Board of Trustees for final approval.
