The District will maintain a plan for the provision of programs and services to students with disabilities designed to assure that they have equality of access to District classes and programs.

The plan will address:

- procedure for timely response to accommodation requests involving academic adjustments which, at a minimum, provides for an individualized review of each such request, and permits interim decisions on such requests pending final resolution by the appropriate administrator or designee;
- long-range goals and short term measurable objectives for the program;
- definitions of disabilities and students eligible for the program;
- support services and instruction that is provided;
- technology accessibility;
- verification of disability;
- student rights and responsibilities;
- academic accommodation plan that is developed by a designated person in consultation with the student;
- academic adjustment, auxiliary aids, and services;
- provisions for course substitution: please note that transfer institutions are not bound by decisions made by the Citrus Community College District regarding course substitutions. Students are responsible for contacting potential transfer institutions regarding the acceptability of prior coursework.
- staffing;
- advisory committee; and
- complaints concerning denial of accommodation(s). This plan will not address discrimination complaints on the basis of disability (See AP 7101.1 – Discrimination Complaint Procedure: Students)
