AP 5220 SHOWER FACILITIES FOR STUDENTS EXPERIENCING HOUSING INSECURITY

References: Education Code Section 76011

The District maintains shower facilities for student use on campus that may be used by any student experiencing housing insecurity who is enrolled, has paid enrollment fees, and is in good standing with the District.

A student experiencing housing insecurity is defined as a student who does not have a fixed, regular, and adequate nighttime residence. This includes, but is not limited to, students who: are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to lack of alternative accommodations; are living in emergency or transitional shelters; have a primary nighttime residence that is a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings; or are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.

Shower facilities are located in the PE building and are available to students experiencing housing insecurity during all academic terms operated by the District except during District holidays. Visit the Citrus College Student Life webpage for the most current hours. In the event that these hours conflict with the hours of an intercollegiate athletic program, the District will provide alternative shower facilities.
