BP 4240 ACADEMIC RENEWAL

Reference: Title 5 Section 55044

Past performance does not always accurately reflect a student's current demonstrated academic ability. Within certain guidelines, a student may request academic renewal without course repetition based on the recognition that poor performance in the past by a student will negatively affect their academic standing and unnecessarily prolong the rate at which he/she may complete his/her current objectives.

Academic renewal is a procedure by which previously recorded substandard grades may be disregarded in the computation of grade point averages when there is evidence that these grades are no longer reflective of a student's demonstrated ability. When academic renewal is granted, the transcript is annotated so that all work remains legible, ensuring a true and complete academic history. The Superintendent/President shall establish procedures that provide for academic renewal.
