Campus Hazing Transparency Report

The Campus Hazing Transparency Report includes, if known, the name of the organization, the date of the hazing behavior, investigation, and adjudication timeline, as well as a description of the findings. Any reports of hazing that did not result in a finding of responsibility are not included. Citrus College will update this webpage as outcomes are finalized and will publish the transparency report twice a year.

Any student organization that is under active investigation will not appear below, as part of the Hazing Transparency Report.
