## INDEPENDENT AUDITOR'S REPORT

The Board of Trustees  
The Citizens' Oversight Committee  
Citrus Community College District  
1000 West Foothill Boulevard  
Glendora, CA 91740-1899

We have conducted a performance audit of the Citrus Community College District (the "District"), Measure G General Obligation Bond Funds for the year ended June 30, 2011.

We conducted our performance audit in accordance with *Governmental Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which includes determining the Citrus Community College District's compliance with the performance requirements for the Proposition 39 Measure G General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the Bonds and the net proceeds thereof. Management is responsible for the Citrus Community College District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal control of Citrus Community College District to determine if internal controls were adequate to help ensure the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution. Accordingly, we do not express any assurance on the internal control.

The results of our tests indicated that, in all significant respects, Citrus Community College District expended Measure G General Obligation Bond funds for the year ended June 30, 2011 only for the specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

**BACKGROUND INFORMATION**

In November 2000, the voters of the State of California approved Proposition 39 authorizing the issuance of general obligation bonds by California public school districts and community colleges under certain circumstances and subject to certain conditions. In March 2004, a general obligation bond proposition (Measure G) of the Citrus Community College District was approved by the voters of the District. Measure G authorized the District to issue up to \$121,000,000 of general obligation bonds to finance various capital projects and related costs, as specified in the bond measure provisions.

In August 2004 the first series of bonds, Series A, in the amount of \$22,000,000 was issued. In April 2007, the second series of bonds, Series B, in the amount of \$40,000,000 was issued. In June 2009, the third series of bonds, Series C, in the amount of \$29,995,301 was issued. The total proceeds from the bonds were received by the District (less the original bond issuance costs) and are to be used to finance the acquisition, construction and modernization of certain District property and facilities

Pursuant to the requirements of Proposition 39 and related State legislation, the Board of Trustees of the District has appropriately established a Citizens' Oversight Committee. The principal purpose of the Citizens' Oversight Committee, as set out in State law, is to inform the public as to the expenditures made using the proceeds of the bonds issued pursuant to the Measure G bond authorization. The Citizens' Oversight Committee is required to issue at least one report annually as to its activities and findings.

Section 1(b)(3)(C) of Article XIII A of the California Constitution requires the District to conduct an annual independent performance audit to ensure that the proceeds of the bonds deposited into the Bond Construction Fund – Measure G Bond Program have been expended only for the authorized bond projects.

**PERFORMANCE AUDIT**

**June 30, 2011**

**OBJECTIVES**

The objectives of our performance audit were to:

- Determine the expenditures charged to the Citrus Community College District Bond Construction Fund – Measure G Bond Program.
- Determine whether expenditures charged to the Bond Construction Fund – Measure G Bond Program have been made in accordance with the bond project list approved by the voters through the approval of Measure G in March 2004.
- Determine compliance with specific California Education Code Sections related to oversight of bond expenditures.
- Note any incongruities or system weaknesses and provide recommendations for improvement.
- Provide the District Board and the Citizens' Oversight Committee with a performance audit as required under the guidelines of the California Constitution and Proposition 39.

**SCOPE OF THE AUDIT**

The scope of our performance audit covered the fiscal year from July 1, 2010 to June 30, 2011. The expenditures tested included all object and project codes associated with the bond projects. The propriety of expenditures for capital projects and maintenance projects funded through other State or local funding sources, other than the proceeds of the bonds, were not included within the scope of our audit. Expenditures incurred subsequent to June 30, 2011 were not reviewed or included within the scope of our audit or within this report.

**PROCEDURES PERFORMED**

We obtained the general ledger and the project expenditure reports prepared by the District for the fiscal year ended June 30, 2011 for the Bond Construction Fund – Measure G Bond Program. Within the fiscal year audited, we obtained the actual invoices and other supporting documentation for expenditures to ensure compliance with the requirements of Proposition 39 and Measure G with regards to the approved bond projects list. We performed the following procedures:

- Reviewed the projects listed to be funded with general obligation bond proceeds as set out in the Measure G election documents.
- Selected a sample of expenditures for the fiscal year ended June 30, 2011 and reviewed supporting documentation to ensure that such funds were properly expended on the authorized bond projects.
- Verified that funds from the Bond Construction Fund – Measure G Bond Program were generally expended for the construction, reconstruction, acquisition, furnishing and equipping of District facilities constituting the authorized bond projects. Furthermore, we verified that funds expended from the Bond Construction Fund - Measure G Bond Program were not used for ineligible salaries of school administrators or other operating expenses of the District.

**CONCLUSION**

The results of our tests indicated that, in all significant respects, the Citrus Community College District has properly accounted for the expenditures of the funds held in the Bond Construction Fund – Measure G Bond Program and that such expenditures were made on authorized bond projects. In addition, we verified that funds held in the Bond Projects Fund were used for salaries of administrators only to the extent they perform administrative oversight work on construction projects as allowable per Opinion 04-110 issued on November 9, 2004 by the State of California Attorney General.
