

**BOND PROGRAM STATUS REPORT**  
**for the Citizen's Oversight Committee Meeting**  
**December 18, 2012**

---

### **Administration Building**

The HVAC contractor is installing ductwork inside the building. Insulation in the exterior walls has been completed. Installation of the windows is complete. Installation of the drywall is almost complete. Scaffolding has been placed around the exterior of the building for stucco installation. The connection to the street is pending commencement of the work and will be completed during winter break.

### **Campus Center**

Project is on hold, pending Bond funding.

### **Fine Arts Building**

Project is on hold, pending Bond funding.

### **Tech C Remodel**

DSA approved the plans on 11/27/12. We are currently finalizing a bid and construction schedule.
