

POSITION DESCRIPTION

Career Technical Education Programs Supervisor

Position Career Technical Education Programs Supervisor
Department/Site Career, Technical and Continuing Education
FLSA Exempt
Evaluated by Dean of Career, Technical and Continuing Education
Salary Range 10

Summary

Under general direction of the Dean of Career, Technical and Continuing Education, the position of Career Technical Education (CTE) Programs Supervisor acquires and implements special projects designed to serve all students and increase access to high quality instruction. Primary assignment includes, but is not limited to, project coordination of all CTE grants, including Perkins, Strong Workforce, and other grants as assigned.

Essential Duties and Responsibilities

- Manages federal- and state-funded grants awarded by the California Chancellor's office. Analyzes grant guidelines, requirements, and regulations. Develops proposal, collaborates with partners, prepares budget. Applies for and wins grant awards. Sets up framework, deliverables, and products--timelines. Implements activities effectively and efficiently, manage funds. Maintains and grows relationships with stakeholders. Delivers, produces, and reports progress and final status.
- Provides administrative support to assigned instructional units (e.g., Automotive Technology, Water Technology, Construction Management, etc.).
- Builds partnerships and alliances that advance the mission of the District, identifies initiatives that include potential revenue opportunities that support the vision.
- Liaisons to all District partners. Maintains and nurtures productive and trusting relationships.
- Maintains positive working relationships with other departments on campus.
- Communicates District policy and administrative decisions to assigned personnel and students.
- Administers the collective bargaining agreements among the District and the classified union.
- Creates an atmosphere of collegiality and supports the goals of participatory governance.
- Supervises and evaluates assigned personnel.
- Resolves conflict.
- Ensures compliance with local, state, and federal regulations.
- Performs other duties as assigned that support the overall objective of the position and the District's mission and philosophy.

Knowledge, Skills and Abilities

- Knowledge of secondary and post-secondary school systems and related governance.
- Requires in-depth knowledge of applicable federal, state, regional, county, and local regulations.
- Knowledge of vocational/career technical education programs.
- Knowledge of course and program articulation.
- Knowledge of the California community college system.
- Knowledge of the Perkins and Strong Workforce grant programs and reporting requirements.

POSITION DESCRIPTION

Career Technical Education Programs Supervisor
