Dear Citrus College Class of 2020:

Commencement, the most joyous event of the academic year, allows us the opportunity to publicly acknowledge the academic accomplishments of Citrus College graduates. As you can tell, this year's celebration is quite different. When COVID-19 made it necessary to postpone commencement, the entire college community was heartbroken. Since that time, we have eagerly anticipated the moment when we would finally be able to celebrate together. Unfortunately, due to the ongoing pandemic and in accordance with the Los Angeles County Department of Public Health's recommendations, we had to once again pivot and plan an alternative commencement recognition. While this may not be the traditional celebration any of us had originally envisioned, we hope the commemorative website serves as a way to appropriately recognize the college's 104th graduating class for their outstanding achievements.

Completing a college degree is an impressive accomplishment. Although the circumstances of your graduation may not have been ideal, they do not diminish the fact that you have reached a significant goal. Hours of study and preparation have enabled you to successfully complete your program requirements, and you are to be applauded for all of your hard work, determination and focus.

When you earned your degrees this past June, you joined Citrus College's proud tradition of successful graduates. However, never has a graduating class faced such unusual challenges or overcome such unprecedented obstacles. With perseverance, you made it through a difficult final semester and entered a world that was vastly changed. The same determination and tenacity that brought you to this moment will undoubtedly sustain you in the years ahead. You are to be commended for your drive, motivation and enthusiasm for learning.

Whether you are currently pursuing a bachelor's degree or are now settling into your career, our hope is that Citrus College has provided you with a great foundation. The future offers you the possibility of many exciting opportunities – embrace them!

On behalf of the Citrus Community College District Board of Trustees and the faculty and staff of Citrus College, I offer my most sincere congratulations and ask that you always remember your alma mater, Citrus College!

Geraldine M. Perri, Ph.D.
Superintendent/President
Citrus College

Lois Gaston

Lois Gaston, a community leader and former city of Duarte mayor who attended Citrus College, was selected to receive the 2020 Distinguished Alumni Award.

An alumna of Monrovia-Arcadia-Duarte High School, Ms. Gaston has received numerous accolades from elected officials, held several leadership positions throughout the San Gabriel Valley and served on the Citrus College Foundation Board of Directors.

A native of Taylor, Arkansas, Ms. Gaston and her mother moved to Monrovia in 1949. After graduating high school in 1953, she started as a telephone operator before working for 32 years at AT&T, where, in 1989, she retired as a human relations district manager.

In 1996, Ms. Gaston joined the Citrus College Foundation Board of Directors and was part of the group that started the Taste of Autumn fundraiser, which raised money for Citrus College scholarships. She also was a search committee member that recommended the hiring of Dr. Geraldine M. Perri, superintendent/president of Citrus College.

From 2003 to 2011, Ms. Gaston served on the Duarte City Council. In 2006-2007, she became the first Black woman in the city's then 50-year history to hold the position of mayor.

Over the past few decades, Ms. Gaston has received numerous community awards and served on various boards.

The late Richard Mountjoy, who served in the California State Senate, named Ms. Gaston a Woman of the Year in 1999. In 2009, then-State Assemblyman Anthony Portantino named Ms. Gaston as his 44th Assembly District Woman of the Year. In 2016, Rep. Grace F. Napolitano selected Ms. Gaston as one of 23 Women of the Year.

From 2009-2010, Ms. Gaston was president of the California Contract Cities Association. Under her leadership, the group donated an ambulance to Haiti following a devastating earthquake. While serving as president, she also received the association's El Matador Grande award.

Ms. Gaston has remained an active member of the Second Baptist Church of Monrovia since 1949. A member of the Duarte Kiwanis Club, Ms. Gaston also chairs the Monrovia ChangeMakers project, a grassroots organization of individuals seeking to honor Monrovians who have worked to stop bigotry and discrimination. She is also an executive board member of the NAACP's Pasadena branch and sits on the Foothill Unity Center Board of Directors.

Over the years, she has also received awards from the Monrovia Duarte Black Alumni Association, YMCA of San Gabriel Valley, San Gabriel Valley NAACP, Santa Anita Family YMCA and the Foothill Unity Center, which awarded her the Heart in Hand Humanitarian Award in 2017.

Jim Riley

Jim Riley, a Citrus College alumnus and member of the Citrus Alumni & Friends Association, was selected to receive the 2020 Distinguished Alumni Award.

A retired police officer who was named the 2011 Glendora Citizen of the Year, Mr. Riley is well known for his volunteer efforts with numerous local nonprofits, organizations and events.

Born and raised in Glendora, Mr. Riley graduated from Citrus College in 1965 and served in the U.S. Army from 1966 to 1968, leaving with the rank of specialist. He later received a Bachelor of Science in Police Management degree from Pepperdine University in 1974 before attending the University of Southern California, where he obtained a Master of Public Administration degree in 1980.

In 1968, Mr. Riley joined the Glendora Police Department. He started as a patrol officer before moving into the investigations bureau. He retired as a lieutenant in 1999. While there, Mr. Riley was also involved with the department's "Santa Visits" program, where the police department worked with other Glendora groups to set up visits from Santa Claus on Christmas Eve.

In addition to being named Officer of the Year by his peers in 1978, Mr. Riley was also involved with the Glendora Police Explorer Post 402, which teaches teens about the department and what is needed to pursue a career in law enforcement. Some of the explorers Mr. Riley worked with later went on to join the police department.

With the Citrus Alumni & Friends Association, Mr. Riley is best known for his volunteer efforts.

He was involved in the Harmonica for Vets fundraiser, which was sponsored by the Citrus Alumni & Friends Association in conjunction with the Citrus College Foundation and the college's Veterans Success Center. The harmonicas were donated by the Wilkinson family to raise money for the Veterans Success Center. Mr. Riley sold several cases of harmonicas and promoted the fundraiser with local community organizations.

Known for his dedication, professionalism and willingness to lend a hand, Mr. Riley has also volunteered with the Boy Scouts of America. With the group, he served in various positions on the local, district, council and national levels.

Mr. Riley also volunteered on the Relay For Life of Glendora and San Dimas committee. Relay for Life events, which raise money for the American Cancer Society, are held across the United States and in more than two dozen other countries.

Mr. Riley is also a member and former president of the Glendora Historical Society. He has also served as a docent for Rubel Castle, a monumental folk architecture site nestled in the foothills of Glendora.

Kenneth Guttman, Ph.D.

The Citrus College community mourns the loss of Dr. Guttman, who passed away on April 18, 2020. He is survived by his wife and two daughters (and their spouses).

Dr. Kenneth Guttman is the 2020 recipient of the Citrus College Distinguished Faculty Award. Throughout his 29-year career at Citrus College, Dr. Guttman demonstrated an unwavering commitment to his students. His broad knowledge in the field of psychology has positively impacted thousands of students, inspiring many to transfer to prestigious universities and pursue careers in psychology.

After graduating with a bachelor's degree in psychology from the University of California, Los Angeles (UCLA), in 1975, Dr. Guttman earned his master's degree in psychology from California State University, Los Angeles, in 1979. His teaching career began that same year when he lectured medical staff at San Pedro Peninsula Hospital on behavioral medicine topics. From 1983 to 1984, Dr. Guttman interned at the UCLA Center for Health Enhancement, Education and Research. In 1986, he earned his Ph.D. in clinical psychology and completed his dissertation on the topic of chronic pain management.

In 1991, Dr. Guttman joined Citrus College as a full-time psychology faculty member. He exhibited a passion for teaching and was held in high regard by his students. Fittingly, he was recognized with the Citrus College Outstanding Faculty Award on three separate occasions, and he was honored with the Extended Opportunity Programs and Services (EOPS) Faculty Award four times.

In addition to being a dedicated instructor, Dr. Guttman was instrumental in creating the college's distance education (now called online education) program, as well as leading several study abroad trips. Previously, Dr. Guttman served as the Citrus College women's basketball coach. Coach Guttman holds the record as the all-time winningest women's basketball coach in the college's history. In 2004-2005, he was named "Coach of the Year" in the Western State Conference. Throughout his tenure, he served in leadership roles for the Citrus College Faculty Association, Academic Senate and various college committees.

"Ken was a beloved and valued friend and colleague and always stepped in to help when needed," said Dana Hester, dean of social and behavioral sciences, and online education. "He loved teaching and stayed in touch with many of his former students, often offering his advice about working in the field, transferring, or applying to graduate programs. He also mentored new faculty and made everyone feel welcome within the division and college."

Dr. Guttman's professional influence extended beyond Citrus College. He published numerous scholarly articles and was often sought out for his academic expertise and dynamic lectures. In 1995, Dr. Guttman was selected to be a visiting scholar from Citrus College to the University of London in England, where he lectured on "Nature Versus Nurture: The History of Behavioral Capacities." Dr. Guttman served as a private practice psychotherapist for 20 years, treating patients who suffered from anxiety and stress-related and affective disorders.

KEYS OF KNOWLEDGE

The Key of Knowledge is the college's highest academic honor. It is awarded to the 10 students who have achieved the college's highest overall academic performance. A committee of administrators and faculty reviews the transcripts of students with the highest GPAs to ensure that their coursework represents a rigorous combination of general education and major courses, a minimum of 34 units completed, and fulltime enrollment for at least two of the last three semesters.

ATHLETES OF THE YEAR

Candidates for female and male Athlete of the Year are nominated and endorsed by their coaches. The criteria for this award is based on the recipients' overall performance as athletes as well as their academic records. Most athletes who receive this award are also transferring to a four-year college or university.

Female Athlete of the Year:

Zeanna Silva
Soccer

Male Athlete of the Year:

Toby Okwuokei
Basketball

SERVICE LEADER OF THE YEAR

The Service Leader of the Year honor is granted to graduating students who have a minimum 3.0 cumulative GPA and a minimum of 30 units completed at Citrus College. Nominees are judged on their academic achievement and volunteer service to the college and community. Students are nominated by faculty, and a committee of representatives from the college’s constituent groups screens and selects the recipients.

MISSION

Citrus College provides students with quality educational experiences and support services that lead to the successful completion of degrees, transfer, certificates, career/technical education and basic skills proficiency. The college fosters academic and career success through the development of critical thinking, effective communication, creativity, and cultural awareness in a safe, accessible and affordable learning environment. In meeting the needs of our demographically diverse student population, we embrace equity and accountability through measurable learning outcomes, ethical data-driven decisions and student achievement.

VISION

Citrus College is driven to provide excellent educational opportunities that are responsive to the needs of our students, and empower them to meet and exceed challenges as active participants in shaping the future of our world.

VALUES

- Student Success and Completion
- Excellence
- Collaboration
- Diversity
- Life-Long Learning
- Integrity
- Technological Advancement

Congratulations Class of 2020!

The Citrus College community is proud of your accomplishments. Please stay in touch with the Citrus Alumni & Friends Association.
We want to hear from you!
